December 2012

## Vanessa Stutz (BBS, CA)

Vanessa has worked for us since October 2005, having completed 2 years study toward an Accounting degree at Otago University prior to that. In addition to working, during the past 7 years Vanessa continued her Business degree extramurally at Massey University (graduating 2010), completed NZ Institute of Chartered Accountants qualifying Professional Exams (2010 and 2011), and gained full membership to the College of Chartered Accountants in September 2012.

I am extremely proud and in awe of Vanessa's academic achievements while still fulfilling the constant demands of full time employment. I feel privileged to have the opportunity to mentor Vanessa these past 3 years toward meeting her practical experience requirements for membership. Vanessa is a talented and resourceful person. I have full confidence in her ability to provide valuable and timely practical professional accounting service to our clients, and look forward to seeing her professional career develop.

Vanessa is a Wairarapa girl, educated at Martinborough School & Wairarapa College. In February 2012 she embarked on the next chapter of her life marrying her partner Marcel Stutz.

## Sherree French

I am fortunate to have Sherree as part of our team in the role of Accounting Technician. Sherree commenced with us in May 2011, and has past accounting office experience gained in Otaki & Masterton. Her duties includes a range of accounting, GST, and Income Tax tasks. Sherree shares responsibility for our Tax Management & Payment System, looks after our Companies Office work, and Client ACC Agency. If you have any queries about tax payments, company annual returns, or ACC levies you are welcome to contact Sherree who will answer where able, and refer all others to me.

Sherree married Len French in November 2011 and they live & work on their farm at Whareama.

## Jessica Olszewski-Willis

Jessica is our newest addition, joining us in February 2012. Jessica is our Receptionist and Office Administrator. Her duties include processing weekly client payrolls and other GST, Income Tax, & Accounting work. She has proved to be a valuable addition to our team with an eye for detail and an aptitude for accounting work.

Jessica is Wairarapa born & raised, and educated at Chanel College. I am pleased that Jessica has decided to commence Accounting study extramurally at Massey University in 2013.
